# Our Mission

We focus on providing a caring and nurturing educational environment.  
We believe education should be for life, fostering creativity and self-actualization.

## Our Facilities

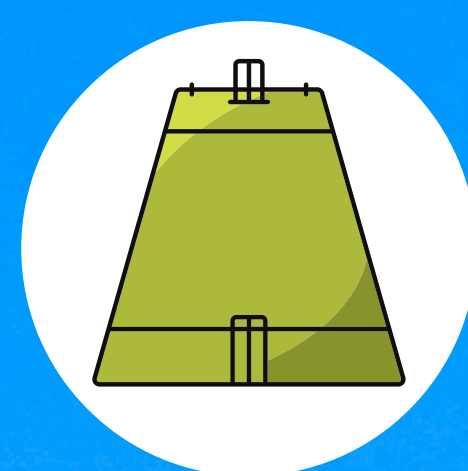

Digital Class Rooms

Garden

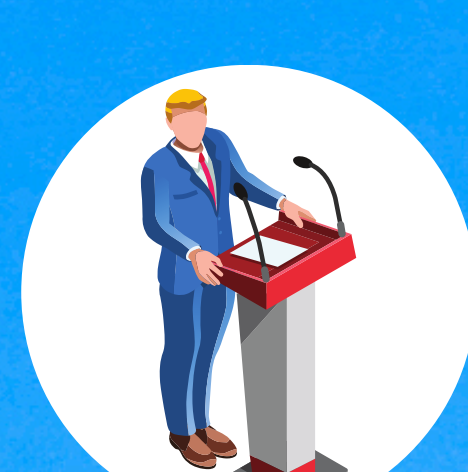

Activity Room

Play Ground

Computer Labs

Auditorium

Science Labs

Bus Facilities

Library

Healthy Canteen

## Staff

Our diverse and experienced teaching community are dedicated to provide high-quality learning. We are committed to academic achievement, development of character & creativity among Children.

## Curriculum

We follow Gujarat State Board of Secondary and Higher Secondary Education. The school curriculum is designed for real-world application, with comprehensive evaluation and exams.

## Co-Curricular Activities

Encourages students to become global citizens through various cultural activities to explore students' potential and talents

## National Cadet Corps (NCC)

We have an NCC unit wherein 60 students enroll annually for NCC training. Cadets are trained once/twice a week in school campus by NCC officers. They also undergo training in the NCC annual camp and become eligible for A grade Certificate.

## Sports and Games

Sports and games are the integral part of childhood. Students are provided special coaching under the able guidance of our sports teachers. Our sports players have given a tough challenge to opponents in various sports competitions organized at District, State & National levels.

## Conclusion

As a concerned Parent your search for an effective institution with affordable fees, to attend to your child's scholastic and versatile needs concludes at our school.

Ongoing commitment to adapt to  
changing environments.

Focus on equipping children with  
essential skills and attitudes for success.
